

ANDREI P. ALMACEN

WEB & MOBILE DEVELOPER

INFORMATION TECHNOLOGY GRADUATE

City of Tayabas, Philippines · 09153203956 · andreialmacen33@gmail.com
GitHub: github.com/khada26

PROFESSIONAL SUMMARY

Dedicated Information Technology graduate with hands-on experience designing and developing full-stack web and mobile applications. Skilled in database design, API integration, frontend UI/UX, and CRUD-based application logic, with a solid grasp of networking fundamentals and version control workflows. Strong problem-solver who enjoys building practical, user-friendly solutions and is comfortable working across the full development lifecycle, from planning to deployment.

TECHNICAL SKILLS

Full-Stack Web Development · Mobile App Development (React Native) · Database Design & Management · Frontend UI/UX Design & Implementation · CRUD Operations & Application Logic · RESTful API Integration · Version Control & Collaborative Development (Git/GitHub) · Networking Fundamentals · Backend Development (Django, Laravel)

FEATURED PROJECT

CAPSTONE DEVELOPER — FurniHive (E-Commerce Platform)

2025 · Team of three · furnihive1.vercel.app

- Developed a full-stack e-commerce platform for furniture retailers, from concept to deployment, as part of a three-person capstone team.
- Built the web interface using React.
- Contributed to the database schema, product management, order processing, and user authentication, using Supabase and PostgreSQL.
- Integrated the PayMongo payment gateway for secure online checkout.
- Contributed to planning, documentation, and testing. Rated by 5 sellers and 10 buyers on ISO 25010, with combined scores of 4.12 to 4.57 out of 5.

WORK EXPERIENCE

ADMINISTRATIVE INTERN / OJT

Alexandrite 2.2 Branch / PRU Life UK

February 2026 – June 2026 (600 Hours)

- Performed data entry, encoding, and spreadsheet management using Microsoft Excel, including building formulas for revenue tracking.
- Prepared and formatted business documents, presentations, and monthly reports using Canva and PowerPoint.
- Supported day-to-day administrative operations, demonstrating strong organization and attention to detail.

PERSONAL ASSISTANT (PART-TIME)

September 2025 – June 2026

- Maintained scheduling and timesheet records, requiring consistent accuracy and organization.

EDUCATION

BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY

Manuel S. Enverga University Foundation · 2022 – 2026

Major in Web & Mobile Application Development

TOOLS

Languages: HTML, CSS, JavaScript, PHP, Python (basic)
Frameworks: React, React Native, Laravel, Django, SwiftUI
Dev Tools: VS Code, GitHub, Vercel, Android Studio, Supabase, PostgreSQL, MySQL
Design: Figma, Canva
Productivity: Microsoft Excel, Word, PowerPoint, Google Workspace

CERTIFICATIONS & TRAINING

CCNAv7: Introduction to Networks · CCNAv7: Switching, Routing & Wireless Essentials · Principles of UX/UI Design · React Native · Create the User Interface with SwiftUI · Create the User Interface in Android Studio · Laravel From Scratch · Building Web Applications in Django · Backend Development and API Creation · System Administration and IT Infrastructure Services · Application Security for Developers and DevOps · Introduction to TCP/IP · Job Ready: Employability Skills · Odoo ERP by Odev Solution Seminar
